I About us

I is one of the largest manufacturer of Ceramic Wall tiles in India. Manufacturing units are equipped with modern technology for zero chance for human error. It makes us different in the ceramic industries cluster.

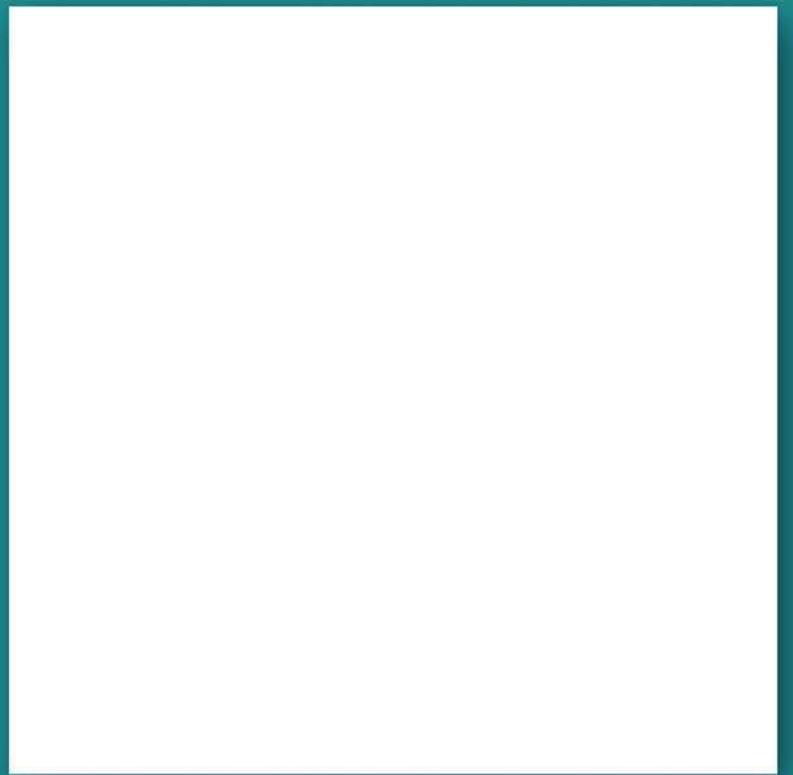

We have a great concern of technology, research, design and quality.

As we have highly innovative and aggressive development team so we are achieving target for quality and design for all countries in the world.

I is very prestigious brand of tiles industries. So we know the how to deliver Quality And Service and make Our Brand BIGGER & BETTER.

I group is a group of Manufacturing Companies which engaged to manufacturing high quality Wall and Floor Tiles with having two major production unit located at MORBI (The Ceramic Capital of India).
